

THOUGHT FOR THE DAY

From the exhortation of Mother Agnese Andreani 3rd superior general of the MSM (1898-1910).

I enjoy the thought that we will have the comfort of seeing our Institute rich in souls full of God, and that later our beloved sisters will be able to reach the ideal, to which I have always aspired in my poor earthly life. Let us leave it to Jesus and, in our smallness, let us pray, let us sacrifice ourselves to reach the goal.
